

FADS COME AND GO
❧ BUT THE CLASSICS ALWAYS ENDURE ❧

Stonecroft Trilogy is a genetic masterpiece combining the best bloodlines of the golden Waseeka's In Command and Trophy cross. His dam, Ladybird Command, the only full sister to legendary stallions Wham Bam Command and I Will Command, was a blue hen producer of three World Champion performance horses, Stonecroft Spellbound, Man In Command as well as Trilogy. His sire World Champion Stonecroft Masquerade is creating his own dynasty as a sire. With only 20 registered get to date, 6 that were three or older at the 2009 Morgan Grand Nationals, Trilogy has already sired World Champion Stonecroft Flammable, World Champion Stonecroft Trillium and World Champion and 2010 UPHA Morgan Horse of the Year Stonecroft Tribute.

From his first park harness world championship at two to his crowning show ring achievement of being the unanimous Park Saddle World Grand Champion in 2009, Stonecroft Trilogy has always performed at the top of his class. He is an obvious choice for the serious breeder.
